

24th January 2018

THE HONORABLE CONSUL,
Embassy of Brazil,
Nairobi.

Dear Sir/Madam:

Ref: Application for a Brazil Tourist Visa.

Good day!

I would like to apply for a visa for my intended visit to Brazil from 2nd to 12th April 2018.

The main purpose of my travel is tourism.

Over the years, I have travelled internationally to 100+ countries as evident from my passport; I have always returned to Kenya after every trip; and I have NEVER overstayed my welcome.

I am currently on a 1-year sabbatical in which I took time off of employment to focus on my accessories business and travel to at least 10 new countries that I'd never been to before.

I will pay for the trips from my savings as well as from my business proceeds.

In February, I will be visiting Norway, Iceland, and Portugal.

In April, I would like to see Brazil and one other South American country. Most probably Argentina.

I've always been fascinated by the Brazilian culture, architecture, history, and FOOD! I'm especially excited to see the *Foz do Iguassu*, as well as do day trips from Rio and/or Sao Paulo, time permitting. I also plan to attend the Enrique Iglesias concert in Sao Paulo.

Please find attached a preliminary itinerary of my proposed 10-day stay, along with the completed visa form, and the other requirements.

Should you need any more information or documents, I would be more than happy to provide.

Thank you so much. Looking forward to a favourable response.

Kind Regards,

EvaMtalii
